East Bridgewater Housing Authority Lock Out Policy Adopted November 15, 2022

If a tenant is locked out of their apartment because they do not have their keys with them during business hours, maintenance or office staff will let them into their apartments. If a tenant is locked out of their apartments during off business hours and wants maintenance to unlock their door they will be charged the cost of the lock out call, which is time and a half for a minimum of two hours for whomever comes out on the call.
