## **East Bridgewater Housing Authority**

### **Replacement Key Policy**

Amended April 11, 2023

When tenants move in we provide them with one (1) complete set of keys. A set consists of two keys to their door/s and a mailbox key. 100 Prospect Street tenants also receive a key to the security door. If a tenant needs the Housing Authority to make them another key, there will be a charge of \$10.00 per key to the tenant. If a tenant wants to make a key on their own, we will direct them to a locksmith that can take care of their needs.
